

HAVE YOUR SAY

Share your New Zealand experience with friends and family as it happens.

As you explore New Zealand, keep an eye out for the 'Have Your Say' truck.

The 'Have Your Say' truck is a mobile recording studio, where you can record a free holiday video message, and send it back home instantly.

Your message will be filmed, edited, and your favourite holiday snaps added. (So don't forget to take your camera or memory stick with you.)

Your final 'video postcard' will be uploaded to the 'Pure New Zealand Have Your Say' YouTube channel with an email link sent to your friends and family, all within minutes. We can also upload it to your Facebook profile.

Your friends and family will see just how much fun you are having, as you're having it. It's a great way to share your New Zealand experience with those back home, and best of all it is absolutely free.

To find out if the 'Have Your Say' truck will be near you, check out the map. For the most up to date itinerary visit www.newzealand.com

Or while you're in New Zealand, pop in to your nearest  **site** visitor information centre.
